

3CX Application Settings for Mobile Devices;

- 1- "Welcome to 3CX | on "Your Account Details" You can make the necessary settings by installing the application on your mobile phone with help from e-mail. We strongly remind you not to share your password and PIN number.
- 2- You should click on the "CLICK HERE – In Office" link in the relevant e-mail. Since you are logging in for the first time, it will ask you to create your password. You must choose a password that must contain at least 10 characters, uppercase letters, lowercase letters and numbers.

Login to your account
